

AUDIO AND VIDEO RECORDING STUDIO

Costumers can order videoclips, photographs, audio records in the studio, which is functioning with permanent staff. It's also possible to rent the studios without technical staff. The audio studios are being installed with controll- and computer rooms.(connected with sound insulated glass windows)

The first studio with wide span is able to accept Video productions with „blue box” technic. There is possibility for video and audio post productions as a complex service in the audio studio and in the video cutter. Scenery is moved by small electric trolleys between trucks, storages and studios. Windows and openings are not needed for the studios. (Artificial light and air conditioning is demand)
